## Palo Del Amo Group Will Meet

A general meeting of the Palo Del Amo Woods Homeowners' Association has been called for 7:30 p.m. Thursday, Sept. 8, at Harbor City Park.

Purpose of the meeting is to discuss the proposed incorporation of the city of Dominguez.

Jack Clelland, deputy to Supervisor Burton W. Chace, will outline the incorporation issues for the group. Residents will be polled to determine if the group will request an exclusion from the Local Agency Formation Commission.

HEARINGS ON the incorporation, which presently includes the Palo del Amo Woods area, are scheduled before the commission Sept. 21.

"This decision should not be made lightly," Roy Gerson, president of the homeowners' group, said. "The choice we make today will affect our lives tomorrow. Since this issue is vital to your future, don't let a few decide for you."

Free baby-sitting will be provided, Gerson said. Harbor City Park is located at Lomita Boulevard and Frampton Street.

## Land for Hospital Purchased

Formal purchase of the 30-acre site for the new Watts Hospital has been announced this week by Supervisor Kenneth Hahn.

Hahn said the purchase by the county at "bargain rates" is the "most significant step taken by the Board of Supervisors in making this vitally needed hospital a reality."

Although the land at 120th street and Wilmington avenue is currently valued at approximately \$30,000 an acre, the county was able to obtain it for one-tenth that amount, slightly above \$3,000 an acre, under terms of a 1945 agreement, Hahn explained.

That agreement permitted use of the land by the County Housing Authority for the Palm Lanes Housing project but gave the county itself the option to buy it at the 1945 rates.

## Marina Boat Launch Opens

The small boat launch at Marina del Rey will be opened to the public Friday, Supervisor Kenneth Hahn said today.

The facility is located on Fiji Way near the Marina's public beach.

Opening of a new store of Nader's Furniture Stores was announced today by Charles A. Nader, president of the firm. The new store is located in the Westminster Center. The new store will bring to four the number of stores now operated by the firm. A San Pedro facility opened earlier this year in San Pedro's Park Plaza Center. Other stores are located at 2201 W. Compton Blvd., Gardena and at 166 E. Carson St. Herbert R. Bell, who has been with Nader's for four years, will manage the Westminster store, according to William W. Bennett, vice president of store operations. Bell, who moves to the new store from Nader's Redondo Beach warehouse, will be succeeded by Tom Guthormsen, who has been with the firm for three years.

Nader, prior to opening his own chain, was affiliated with several major chain stores.

### HOME ACCIDENTS

In one year 28,500 persons died from accidents in their homes, according to the statistics of the American Red Cross.

## Knitting Entered In County Fair

Mrs. Marty Swanson, 750 E. Carson St., has entered knitting in domestic arts competition at the Los Angeles County Fair.

More than 8,000 exhibitors will compete for shares of \$224,000 in cash premium awards offered this year.
